ACTIL was established in 2013 through a partnership between UN Women (ESARO) and Kenyatta University, Nairobi (Kenya) with a mission to capacitate & mentor transformative leaders, particularly women and youth in Africa for sustainable and equitable development. Since inception, ACTIL's focus has been to develop and promote strategic and transformative leadership capacities of current and emerging leaders in Africa.

Ultimately these leaders are expected to champion and implement inclusive, equitable and sustainable policies for accelerating socio economic development.

Africa needs transformative leaders who can contribute to
